

Services & pricing

A website that feels like your business. Support to keep it current and visible.

Your website / One-time build

Standard	\$500 - \$1,000	A focused website with your photos, hours, offerings and contact details.
Premium	\$1,000 - \$3,000	A more extensive site with additional pages and tailored features.
Custom	\$3,000+	A larger or specialized project, quoted around the agreed requirements.

Keep it current / Monthly website care

Basic care	\$50 - \$100/mo	Hosting, hours and photo changes, and an agreed allowance for small edits.
Active care	\$100 - \$250/mo	More frequent menu, specials and Google Business Profile updates.
Ongoing retainer	\$250+/mo	An agreed monthly scope for continuing pages and features.

Stay visible / Monthly social management

Social with a website	\$250/mo	Three posts per week across Facebook and Instagram, a monthly report and 25 QR cards. Basic care up to the \$100 tier included.
Social on its own	\$350/mo	Three posts per week across Facebook and Instagram, a monthly report and 25 QR cards.

How the scope works. Three weekly content pieces are adapted for both platforms. We agree the asset supply, edit allowance and QR-card replenishment in writing. Regular shoots, advanced video and advertising are quoted separately; advertising spend is separate.

Care with the social bundle. Care above the \$100 tier is added at half of the extra amount. Example: a \$200 care tier with social totals \$300/month.

A measurable lead promise. For an eligible ongoing plan, we propose 5% more qualified, tracked inquiries over six months against an agreed comparable baseline. With no usable baseline, we agree an absolute inquiry target instead. If the written target is missed, the monthly fee pauses until it is reached; the website build is not refunded. Measurement, start date and pause/resume terms are agreed before work starts. This is a lead target, not a sales or revenue guarantee.

Clear next steps. No decision needed today. Choose what interests you, then we can meet to agree the work and an exact quote. Monthly plans are month to month, cancel anytime, plus tax. Existing individual agreements remain in place.
